Dear Classmate,

We hope you are planning to join us for our 50th Stanford Reunion. Homecoming Weekend is just two months away, October 17–20, and we are all looking forward to seeing you there.

If you haven't made up your mind, we encourage you to take a look at the incredible range of events enclosed, as well as a sneak peek at the list of our classmates who are planning to attend. Here's why we, especially, don't want you to miss out:

- **Our year.** 1963. In many ways, it seems like just yesterday. Come October, our classmates, dormmates, teammates and you-name-it 'mates will be all together again on campus, catching up beneath the palm trees and taking in the view atop Hoover Tower.
- **Our weekend.** It will be an unforgettable four days...Mini Reunions, great talks by top professors, winning the football game and more! Including our Friday Night Class Party, Class Tailgate, and parade across the football field before the game.
- **Our reunion.** Whether you come for a single day or the entire long weekend, we will reunite with one another and with the place that brought us all together 50 (plus four) years ago. There are so many Reunion memories waiting to be made—our way.

We sincerely hope you can join us back at the Farm—it simply won't be the same without you.

We look forward to seeing you in October!

A photograph of a student walking on a paved path in front of a large, light-colored building with a tiled roof and arched windows. A large palm tree stands prominently in the foreground. The student is wearing a blue shirt, dark shorts, and a backpack. A wooden bench is visible on the path. The building has the words "OLD UNION" written on its wall.
